Over the next few months Coastal GasLink will be holding virtual information sessions. These sessions will provide an opportunity for Wet'suwet'en community members to learn more during a short presentation and ask questions about the Coastal GasLink project. See below for information about each session.

All sessions will be held on Zoom. Scan the QR code to join from your smartphone. To join from your computer or dial in, see information below. If you have any questions, please email CGLaccess@tcenergy.com.
